The hour for preaching the Introductory Sermon having arrived, Brother W. A. Hobson, the appointee, preached the sermon. Text, John 18:36.

The hour for adjournment having arrived, the Association adjourned until 2 P. M.

FIRST DAY-AFTERNOON SESSION.

A prayer and praise service was conducted by Brother M. T. Branham at two o'clock. The Association was called to order at 2:15.

The Report of the Executive Committee being next in order was called for and read by Brother-J. B. Gibson, chairman, as follows, viz:

REPORT OF EXECUTIVE COMMITTEE.

Your Executive Committee beg to report :

That Brother James Hogan continued his work as missionary within the bounds of this Association until January 1, 1897. He labored faithfully and well. His report was made to Brother Bledsoe at the expiration of his work. Have no duplicate.

For several reasons it was thought best for this Association to be in full accord with the plan of work adopted by our last State Convention. To that end your committee, upon the solicitation of Brother W. C. Bledsoe, Secretary of the State Mission Board agreed to the retirement of our Associational Missionary on condition that the State Evangelist for the Middle West District of Alabama be located at Birmingham, that he be named or endorsed by your committee and that the major portion of his time be devoted to the work within the bounds of this Association. Brother J. V. Dickinson was endorsed by your committee and appointed by the State Board as Evangelist for this district and located at Birmingham, as agreed.

Brother A. B. Johnston feeling that this action of your committee was unwise, and that his opposition to the plan would unfit him for the duties of chairman of this committee, resigned his position as such and his membership on the committee, very much to our regret. Brother D. B. Gray was elected to fill the vacancy on the committee and Brother J. B. Gibson was made its chairman.

We note with pleasure the earnest missionary work done within our bounds by the ministerial students of Howard College. With proper encouragement and assistance they will become a great factor for good in our midst.

Your attention is respectfully called to a Church Extension Society or-

ganized in March, 1896, under the auspices of your committee, of which Brother A. B. Johnston is President, Brother H. H. Brown, Vice-President, and Brother J. B. Gibson, Secretary and Treasurer. Its object is to aid by gift, loan or otherwise the building of churches. It solicits your co-operation.

We respectfully submit the following recommendations :

First—That this Association request the State Board of Missions to locate within the bounds of this Association a Missionary, to be named by your Executive Committee, and controlled by your Committee in co-operation with the State Board, it being his duty to devote his entire time to mission work in our territory and to co-operate with and superintend the mission work of the students at Howard College.

Second—That in order to better systematize our work all money for missions, State, Home or Foreign, be sent by the local church treasurer to W. C. Bledsoe, Secretary State Board.

Third-That the Standing Committees of this Association be :

- 1. State Missions-three members.
- 2. Home Missions-three members.
- 3. Foreign Missions-three members.
- 4. Religious Literature and Education-five members.
- 5. Sunday Schools-three members.
- 6. Young People's Work-three members.
- 7. Moral and Spiritual Conditions-three members.
- 8. Ways and Means-three members.
- 9. Denominational Institutions-three members.

It shall be the duty of the Ways and Means Committee to search out the best methods of financiering that may be employed in our religious work.

J. B. GIBSON, Chairman.

The report was discussed by Brethren J. B. Gibson, H. H. Brown, P. S. Montgomery, and adopted.

The Moderator announced the following Special Committees, viz:

On Nominations-J. M. Huey, M. T. Branham.

On Documents—J. B. Tidwell, L. J. Haley, J. B. Helm. On Finance—M. C. Reynolds, P. M. McNeil, R. D. Jeffcoat.

The next in order was the report on Young People's Work. The report not being ready, the propramme was changed and the reports on Temperance and Orphans' Home were ordered read.

The reports were called for and read, as follows, viz:

REPORT ON TEMPERANCE.

Your Committee have little encouragement to offer in its report on Temperance. Notwithstanding all the stringent laws and moral sentiment against drunkenness, the manufacture, sale and use of intoxicating beverages seems to be on the increase. Yet we have this encouragement: among our nativeborn American citiens there seems to be a growing moral sentiment against intemperance of all kinds. Then it is to a great extent the foreigners, with their loose ideas of morals, who are continually pouring into our country, who are responsible for a great amount of our intemperance and crime.

Many sections of our commonwealth are dominated politically, socially and religiously by the liquor influence. To oppose it is to lose cast among the political priests and their constituency. In the so-called first circles, on many occasions, one breathes more freely if his breath is spiced with the dew of the mountains.

Wealthy men are retained in some churches—men who sell liquor behind green blinds, and women who drink it behind panelled doors—drink it from golden punch bowls.

In the United States we spend annually \$1,000,000,000 for drink—about four times as much as it takes to run the whole government. For twenty leading necessaries of life—not including education—we spend the same amount we do for liquors; and for home and foreign missions we give the pitiful sum of \$5,500,000 annually. Alabama, alone, pays yearly for its intoxicants, \$4,000,000.

Your Committee recommend teetotalism among the brethren and the sisters; also the strictest administration of rigid discipline by our churches to all those who habitually, or even occasionally get drunk, on any kind of intoxicants—powders, pills or liquids.

We further recommend that for the sake of exercising a wholesome Christian influence over the public, that none of our stronger brethren, except when duty demands it, enter any bar-room or place where liquor is manufactured or sold. Also, that he refrain, lest he, being often tempted, though strong, should yield and become weak, or "through his knowledge the 'weak brother perish for whom Christ died." "When we sin against the brethren and wound their weak conscience, we sin against Christ!"

R. M. HUNTER.

The report was discussed by Brethren R. M. Hunter, W. C. Ward, P. S. Montgomery, G. S. Anderson and W. A. Hobson and adopted.

REPORT ON ORPHANS' HOME.

Your Committee on Orphans' Home begs leave to submit the following report:

HISTORY.

When Mrs. M. L. B. Woodson, in November of 1890, made known to the Baptist State Convention her intention to give all her real estate, estimated at \$30,000, for the maintenance of a home for Baptist widows and orphans, the initial step was taken toward the establishment of the Loise Short Baptist Widows and Orphans' Home, of Alabama.

The Home was temporarily located at Evergreen. Ala., January 16, 1893, and the present financial Secretary, Rev. J. W. Stewart, who was then pastor at Evergreen, was asked to assume the management of it without remuneration. March 10, 1893, in a small rented house, the Home was formally opened, with Mrs. Clara W. Ansley, the present incumbent, as Matron, By November of that year, twenty-two children had been received, and the Convention, through its Committee, decided to locate the Home permanently at Evergreen, and purchased property consisting of eighty acres of land lying on Main street, thirty of which is in cultivation, thirty in pasture, and twenty in woodland; on which were a ten-room brick structure and three tenant houses. The purchase price of the property was \$5,000, which, with the interest on the deferred payments, amounting io \$400.33, has been paid in full.

Since the establishment of the Home, there have been gathered into it thirty-three boys and thirty-seven girls; and out of it have gone: by apprenticeship, two boys; by adoption, ten boys and thirteen girls; and four boys and three girls have been returned to their people, leaving now in the Home seventeen boys and twenty-one girls. The children came from nineteen counties, as follows: Barbour, 3; Bibb, 2; Butler, 3; Chambers, 1; Conecuh, 2; Covington, 8; Lee, 3; Limestone, 1; Marengo, 4; Montgomery, 2; Pike, 2; Russell, 1; Talladega, 8; Tallapoosa, 2; Tuscaloosa, 3; Walker, 6.

MANAGEMENT.

The management of the Home is made, as far as possible, like that of a well-regulated family. The boys are taught to do farm work, and the girls various kinds of house work. All that are old enough attend the Southwest Alabama Agricultural School, where no tuition is charged, the matriculation and incidental fees amounting to about \$5.00 to \$10.00 per session for each pupil. Attendance upon church and Sunday-School is required, and family worship is held each day in the Home. The utmost economy is practiced in the management of the Home. The current expenses amount only to about \$6.00 per month for each child.

PRESENT CONDITION AND NEEDS.

In order to prepare for the comfort and health of the present in-

THE SIXTY-FOURTH ANNUAL SESSION

mates and make room for the reception of the orphan children asking admission, improvements are being made in the arrangement of the Home by which eleven new rooms are to be added and all the old ones renovated. Money is much needed to complete this work, and also to pay the current expenses of the institution. At present all the inmates of the Home are crowded into six unfinished rooms, upstairs in the new building, which is without fire-places and shutters. The repair work on the old building is progressing as rapidly as possible under the circumstances, but it is the policy of the management to pay as they go, and hence the work must stop if the money fails to come.

In view of the present cramped and needy condition of the Home, your Commtttee would urge each church, sunday-school and missionary society in the Birmingham Association to make liberal contributions at once to assist in carrying forward the work of improvement. It is also recommended that regular contributions be made to meet the current expenses.

Respectfully submitted,

S. J. ANSLEY, S. P. FOWLKES, J. E. MASSEY, Committee.

The report was discussed by Brethren J. W. Stewart, Superintendent, and P. T. Hale, and a collection taken amounting to \$14.35, after which the report was adopted.

The Association adjourned at 5:30 P. M. until 7:30, with prayer by Brother B. F. Giles.

FIRST DAY-NIGHT SESSION.

The Association was called to order promptly at 7:30, a prayer and praise service having been conducted by Brother R. M. Hunter.

The reports on Missions being next in order the reports were called for and read as follows, viz:

REPORT ON STATE MISSIONS.

Your Committee on State Missions beg to report as follows:

The missionary spirit is growing throughout the State, while ignorance and prejudice are slowly passing away, the work of our State Board being more and more appreciated **as** our people become better

acquainted with its scope. That it is the sole agent in the State of the Home and Foreign Boards, and that its employees are charged with the duty of looking after all denominational interests in the territory to which they may be assigned, makes it a factor of prime importance in our religious work.

In the minutes of our last State Convention we find the following report of its work, viz.:

DEBIT BALANCE

Compared with former years, fewer men were employed, but with higher average results. Fewer churches were constituted, and fewer Sunday schools organized, the Board deeming it wiser to "strengthen the things that remain" than to organize new institutions with little or no prospect of permanence.

In pursuance of a co-operative agreement made by the Home Missionary Society of New York, the Home Board and the White and Colored Conventions of Alabama, three colored evangelists have been employed with good results to do missionary work among the negroes of Alabama. The expense of this work is borne equally by the four Boards named, \$500 being paid by our own State Board.

Out of 117,000 white Baptists in the State of Alabama, only 8,000 have been contributing to missions through organized channels. Hoping to improve this condition, our last State Convention adopted the evangelistic plan of work. During this Convention year the Board has had in the field in Alabama the following evangelists: A. E. Burns, North Alabama; J. W. Sandlin, Northeast Alabama; W. A. Parker, Southwest Alabama; A. J. Preston, Southeast Alabama; G. S. Anderson, East Alabama; J. V. Dickinson, Middle and West Alabama, and W. C. Bledsoe, Secretary, at large. The prime effort of these evangelists is to arouse the Baptists of the State to the need of unity of effort and systematic work in the advancement of the Master's kingdom.

The results are in general very gratifying. More of our people are interested than ever before. Pastors, churches and associations hitherto unknown to the Board are now in accord with its plans and purposes. The work is now and has been hindered by the want of funds. The liquidation by many local churches of old debts, the campaign made for the relief of the Howard and the Judson, together with the strong effort made to get the Foreign Mission Board out of debt, have severely affected the receipts of our State Mission Board. It has been compelled, after practicing the strictest economy, to incur a debt of about \$1,000.

Now that these other interests have been cared for, we should come to the rescue of our own Board. To it has been intrusted every interest that we as a denomination hold dear. Its success means the triumph of Baptist principles in Alabama. Yea, more—it means Alabama for Christ; it means the advancement of the Master's kingdom; it means "peace on earth, good will to men."

J. B. GIBSON, Chairman.

REPORT ON HOME MISSIONS.

The Home Mission Board, located in Atlanta, Ga., with Rev. I. T. Tichenor, D. D., as Corresponding Secretary, is one of the most potent missionary agencies in our Southern Zion. The pages of its noble history, of more than half a century, are bright with glorious achievments.

THE TERRITORY

Of the Home Mission Board embraces Virginia, North Carolina, South Carolina, Georgia, Alabama, Florida, Tennessee, Kentucky, Arkansas, Louisiana, Mississippi, Texas, New Mexico, Indian Territory, Oklahoma and Cuba.

THE PURPOSE

Of the Board is to keep a watchful eye over this vast field of the Southern Baptist Convention, and locate missionaries, and sustain weak churches in such places as will make for the best interest of the cause. In this vast area there are many destitute sections. The mountain districts in the older states, the foreign element in over crowded cities, and our ever broadening borders open a field to our Home Board for gospel sowing far greater than they have yet been able to cultivate.

THE PLAN

Is, in general, to co-operate with the State Boards of Missions, and at the same time to press the work where it is not possible or practicable for the State Boards to operate. In this way the strong support the weak, and thereby there is equality.

THE WORK

Of the Home Mission Board may be arranged under the following heads:

1. Work in the Towns and Cities.—The policy of the Board has been much like that of the Apostle Paul, in striking for the great centers of population. The material development of our country, with its fertile valleys, rich minerals and great railroads, is fast filling our cities with a new population, and new cities are rapidly springing up. The Board is, at present, sustaining an important work at New Orleans under the leadership of the Purser Brothers, and aiding in the payment for houses of worship in Jackson, Miss., Pensacola and St. Augustine, Fla. A good work is also being done among the Germans at Washington City, St. Louis and Kansas City, as well as among the negros at Baltimore, Washington, Atlanta, Richmond, Norfolk, Selma, Raleigh, Columbia and other points.

2. Work in the Mountains.—Destitution in the country districts has not been overlooked. The mountain regions of Kentucky, Western North Carolina, Georgia, Alabama and Tennessee have received most attention. The people of these districts are strongly inclined to our Baptist faith, and while, for the most part, they are poor and uncultured people, they respond readily to the gospel, and the labors of our missionaries among them have been greatly blessed.

3. Work on the Frontiers.—This is a work which appeals to all the best impulses of our nature. These destitute sections are found chiefly in Florida, Louisiana, Arkansas, Texas, Indian Territory and Oklahoma. The Lord is abundantly blessing our frontier work.

4. Work Among the Negroes.—This is carried on under the co-operative plan agreed upon by our Home Board and the Home Mission Society of New York. Alabama, North Carolina, South Carolina and Virginia have adopted the co-operative plan with gratifying results.

5. Our Work in Cuba.—As is well known the war in Cuba has brought our work in that island to a standstill. Two faithful deacons, Porta and Valdes, with a few devoted women, are looking after our property in Havana and holding the work together as best they can. Until the clouds of war have passed over we can hardly hope to do more.

THE HOME FIELD.

The Home Mission Board has again returned to the publication of t'se Home Field, a bright little sheet which should be in every Baptist

home. In no other way can our people keep posted on the work of the Home Board. This paper is published at Atlanta, Ga., and put at the extremely low price of ten cents per year, and in clubs of fifty five cents.

Respectfully submitted,

W. A. HOBSON.

REPORT ON FOREIGN MISSIONS.

The Lord has wonderfully blessed the work of our churches through their Foreign Mission Board. We have now in our churches in foreign fields a membership of 4,955, of which 660 were baptized during the present year. The missionaries are located in the different fields as follows: China, 39; Africa, 8; Italy, 3; Brazil, 8; Mexico, 16; Japan, 6. Total, 80; besides 110 native assistants.

We should rejoice in the fact that there were no deaths among our foreign missionaries last year, though there were some among the native assistants. The amount contributed by the churches of our Southern Baptist Convention during the last conventional year was \$125,681.99. Of this amount Alabama Baptists gave \$6,563.29—about six cents per member. Our Board is doing a grand work in the foreign fields, and if we are Missionary Baptist, as we profess, we should exert ourselves as never before in order to prevent the work from being retarded. "Come over and help us!" they cry.

Respectfully submitted,

H. A. HAGLER, Chairman.

The reports were discussed by Brethren J. B. Gibson, A. B. Johnston and Joe Howard.

Pending the discussion, adjournment was had to 9:30 A. M., Wednesday, with prayer led by Brother J. G. Lowrey.

SECOND DAY-MORNING SESSION.

After a prayer and praise service conducted by Brother J. H. Longcrier, the Association was called to order at 9:30.

The subject of Missions being still before the Association, was further discussed by Brethren J. V. Dickinson, H. H. Brown, W. A. Hobson, R. M. Hunter, W. B. Carter and R. M. Inzer.

At this point in the discussion the report on Religious Literature and Colportage was read by the chairman, as follows, viz:

REPORT ON RELIGIOUS LITERATURE AND COLPORTAGE WORK.

We, your Committee on Religious Literature and Colportage Work, beg leave to submit the following report:

We believe that no subject of more importance will come before this body. To our mind, this Association could not do a wiser thing than to employ a missionary and colporter for all of his time to travel in destitute places, to organize and build up the waste places of our Master's kingdom in our Association, and to circulate the scriptures of divine truth and sound religious literature. We are unable to get statistics of work done in our Association during the past year, so we give summary of work done by the State Board of Missions for year ending November 1, 1896:

Subscribers to the Alabama Baptist	. 447
Subscribers to Foreign Mission Journal	. 82
Subscribers to State Mission Journal	. 154
Pages of Tracts distributed	36,828
Number of Books sold	559
Bibles and Testaments sold	316
Bibles and Testaments donated	40

We commend to this body the denominational papers endorsed by our State Convention, viz: "The Alabama Baptist," "The State Mission Journal," "Our Home Field," and also our own "Birmingham Baptist."

Respectfully submitted,

W. R. IVEY, Chairman.

The discussion was continued by W. R. Ivey, J. W. Stewart and J. G. Lowrey. Dr. W. C. Bledsoe, Corresponding Secretary of the State Board of Missions, having arrived was called out and addressed the Association on the subject under discussion. Dr. C. S. Blackwell, General Secretary of the Baptist Young People's Union Auxiliary to the Southern Baptist Convention, was also received.

The hour for preaching the Missionary Sermon having arrived, the sermon was preached by Elder G. T. Lee, as per appointment, from "The Great Commission," and a collection was taken for State Missions, amounting to \$15.85, after which the reports were adopted and the Association adjourned for dinner.

SECOND DAY-AFTERNOON SESSION.

After a prayer and praise service, conducted by Brother J. G. Lowrey, the body was called to order by the Moderator at 2:15.

On motion the report on Young People's Work was ordered read and discussed in connection with the report on Sunday Schools, which was next in order.

The reports were then read as follows, viz:

REPORT ON SUNDAY SCHOOLS.

As compiled from the Church letters to this meeting of the Association, it appears that of the twenty-eight Churches making reports, twenty-seven have Sunday Schools, with 247 officers and teachers, 2,651 enrolled members and 1,589 average attendance, 100 baptized from the Schools into Church membership, and amount of money contributed \$1,273.72.

Compared with last year these reports show an increase of 1 school, 17 officers and teachers, 231 enrolled members, 12 baptized into Church fellowship, and in amount contributed \$342, but a decrease in average attendance of 135.

There are several Churches not reporting at all to this meeting of the Association, and others reporting that did not report fully on Sunday Schools.

Your Committee would suggest to the Church Clerks that care be taken in the letters to give the statistics of Sunday Schools in full, and especially to give the number of pupils baptized, and amounts contributed for all purposes.

Your Committee has observed that it is the rule that children go to Sunday School to be taught the lesson, home study and training largely having fallen into disuse. This adds considerably to the work and responsibility of the teachers, and on their part calls for thorough preparation, earnest consecration and devotion to their duties.

The Women's Missionary Union has called the attention of your Committee to Missionary Day and Sunday School Celebration, set for Sunday, September 26, 1897, and we recommend the proper observance of the day by all the Churches.

Many brethren have suggested that Sunday School work would be greatly helped by fifth Sunday general meetings. We therefore recommend that the matter of holding these meetings be submitted to the Executive Committee.

Respectfully submitted on behalf of the Committee.

P. C. RATLIFF, Chairman.

REPORT ON YOUNG PEOPLE'S WORK.

DEAR BRETHREN:-We, the Committee on Young People's Work, respectfully submit the following:

We submit to you cur annual report with gratitude toward God for his goodness and mercy, and grateful thanks to those who have done so much for the Unions in this Association. We do not come to you with as cheering a report along some lines as we would wish. No new Unions have been formed, but all the local Unions, except one or two, are doing better work, displaying more enthusiasm, and advancing more rapidly in the Christian work than ever before. The Union heretofore has been in a formative period, but now it is rapidly approaching the practical stage.

Since the last Association we have, through the kindness of Dr. Hale, secured space in the *Birmingham Baptist*, known as the B. Y. P. U. Department, for the use of the Unions in this Association. Brother G. Herbert has been elected editor, with associate editors in the different local Unions to help him in the work. We also desire to call attention to the *Alabama Baptist*, our State paper, the young people's department of which is being ably edited by Brother W. A. Hobson. In this way we hear from each other regularly. This will greatly aid us in the cultivation of acquaintance, in stimulating our members to greater zeal, and in giving suggestions for the successful prosecution of the young people's work. The prospects for a great advance movement next year are very bright.

The State Convention held at Talladega was little less than a failure, because the attendance was very small. This is not as it should be. If we wish to keep in touch with the advance spirit of the movement, it is necessary to attend these annual meetings; it broadens our views and brings us in closer relation with the young Baptists of the State. The next convention will convene with the Clayton Street Baptist Church of Montgomery. It is sincerely hoped that this Association will be well represented in that meeting.

Our former Secretary having resigned, the Board have elected as his successor Brother Calvin S. Blackwell, of Elizabeth, N. C. He comes to us highly recommended; a man of broad views, who is thoroughty in sympathy with the young people's work, he having been untiring in his efforts to place the B. Y. P. U. on an effective and practical footing in the Baptist Churches of the South.

One of the most important events occurring in connection with the B. Y. P. U. of the South this year was our affiliation with the B. Y. P. U. A. This federation was accomplished at the great convention of the Baptist Young People's Union held in Chattanooga on July 15 to 18. The articles of agreement are as follows:

1. That the *Baptist Union*, published at Chicago, shall be the organ of the Baptist Young People's Union of America and the Baptist Young People's Union Auxiliary to the Southern Baptist Convention. In order that the work of the Baptist Young People's Union Auxiliary to the Southern Baptist Convention shall be adequately presented, space not to exceed one page per week shall be allotted in the *Baptist Union* to the publication of news and other items to be furnished by the Secretary of the Baptist Young People's Union Auxiliary to the Southern Baptist Convention, who shall be an associate editor. Said material to be distributed in the columns of the paper according to its nature.

2. Adoption of the Christian Culture Courses.—The Baptist Young People's Union Auxiliary to the Southern Baptist Convention to adopt the Christian Culture Courses as published in the *Baptist Union* with the proviso that if it seems advisable to the Executive Committee of the Baptist Young People's Union Auxiliary to the Southern Baptist Convention, alternative topics on the work of the Boards of the Southern Baptist Convention shall be allowed.

3. The Baptist Young People's Union Auxiliary to the Southern Baptist Convention agrees to press the interest of the Christian Culture Courses and the circulation of the *Baptist Union* with all possible vigor, receiving for this service compensation to be hereafter agreed upon.

4. In order to the preservation of the autonomy alike of the Baptist Young People's Union of America and the Baptist Young People's Union Auxiliary to the Southern Baptist Convention and to the adjustment of relations with the existing department of the Green we advise:

That the department of the Green and the Baptist Young People's Union Auxiliary to the Southern Baptist Convention be merged into one body to be known as the Baptist Young People's Union Auxiliary to the Southern Baptist Convention, which shall develop the work of the young people in the territory of the Southern Baptist Convention, and further to the best of its ability the interests of both.

The plans of merging shall be, as fast as vacancies occur in the representation of States within the Southern Baptist Convention, on the Board of Managers of the Baptist Young People's Union of America, these vacancies be filled with the representatives of said States on the Board of Managers of the Baptist Young People's Union Auxiliary to the Southern Baptist Convention, to be elected in accordance with the provisions of the Constitution. The work of the department of the Green being merged in that of the Baptist Young People's Union Auxiliary to the Southern Baptist Convention, the Executive Committee of the latter be recognized as the representatives of the Baptist Young People's Union of America in the territory of the Southern Baptist Convention.

Upon the foregoing this conference is unanimously agreed.

E. E. CHIVERS, L. O. DAWSON, JOHN D. JORDAN, IRA M. PRICE, Chairman. CHAS. M. NESS, Secretary. We would lay special emphasis on the necessity of subscribing for the *Baptist Union*, and the adoption of the Christian Culture Courses in your Unions. The *Baptist Union* has the largest circulation of any Baptist paper in the world.

The Christian Culture Courses are the pride of the B. Y. P. U. A. These Courses appear through the medium of the *Baptist Union*. It consists in the main of three Courses :

1. "The Bible Reader's Course," a course of daily reading with historical and analytical notes."

2. "The Conquest Missionary Course," treating of matters of interest in the missionary field.

3. "The Sacred Literature Course."

The Union contains each week the topic for the weekly devotional meeting of the society with a helpful exposition of the subject.

Believing the B. Y. P. U. to be the best means by which the young people of the Church and congregation can be reached, organized, Christianized and developed, we recommend that each Church in the Association, when practicable, organize such society.

We believe further that a far-reaching work is being done in the Sunbeam Societies, where the children are being taught the Scriptures and informed as to our denominational work. These societies should have our encouragement.

E. P. HOGAN, Chairman.

The reports were discussed by Brethren P. C. Ratliff, Gilbert Garter, H. H. Brown and J. V. Dickinson, on Sunday Schools, and G. Herbert, Dr. C. S. Blackwell, General Secretary, Prof. E. P. Hogan, W. M. Blackwelder and B. D. Gray, and after a collection for the Young People's Work amounting to \$16.20, the reports were adopted.

Miscellaneous business being next in order, Brother A. B. Johnston offered the following resolution, viz :

Resolved, That the Executive Committee be charged with the duty of preparing a form of letter from the Churches to the Association, and that the form so prepared be printed, and a copy thereof be sent to the Clerk of each Church at least one month before the next session of the Association.

Brother R. M. Hunter moved that Dr. T. J. Dill of Howard College be requested to have published in tract form two articles published recently by him in the Alabama Baptist on "The Baptism of the Eunuch." The report was unanimously adopted.

The Association adjourned with prayer by Dr. C. S. Blackwell.

SECOND DAY-NIGHT SESSION.

A prayer and praise service was conducted by Brother P. S. Montgomery, and the Association was called to order at 7:30 by the Moderator.

The subject of Education being next in order the reports on Denominational Education and Ministerial Education were read as follows, viz:

DENOMINATIONAL EDUCATION.

We, your Committee on Denominational Education, beg leave to submit the following report:

We believe there is no work in the denomination that has a greater tendency to the unification of our forces than this. The schools for this important work in Alabama, the time honored Howard College, of East Lake, the famous Judson Institute, of Marion, and the grand old Central Female College, of Tuscaloosa, are especially fitted for the building up of our great Baptist cause all over the land. In the first place, in each of these institutions we have a corps of firm, strong and loyal Baptist teachers, versed in all the branches of classical lore, but where our cause of Denominational Education gains its widest berth is in the fact that these teachers are men and women whose hearts and lives are full of Christian graces, so that while the mind is being trained the heart is being trained also.

In the second place, the Bible, the God-given text-book of the Christian faith and practice, is taught in our denominational schools, and to this fact their success and prosperity through the vicissitudes and storms they have been compelled to pass during the past few years is largely attributable. They are founded upon God and his promises, and He has not forsaken them in times of seeming peril and adversity.

The great and powerful Baptist Brotherhood to-day stands united on account of the training, brotherly love and Christian ties which have been received and begotten in our Denominational institutions of learning. The sons and daughters of the Howard, the Judson and the Central, together with those of all the other Baptist colleges and schools, stand as the Macedonian Phalanx not to be cut down by the Spartan and Athenian powers of specialism, infidelism and skepticism. They are united under the Great Captain and King, our Lord and Master, Jesus Christ.

Brethren, this cause is worthy of, and demands our deepest prayers and sympathies as well as our most earnest and careful consideration as the servants of God assembled to do his work. Let us prove our faith by our works, in sending our boys and girls to our own Denominational schools.

Roof, young, vigorous and active, with his entire manhood, mental and physical, completely absorbed in the cause of education; Patrick, full of vim and energy, deeply pious and consecrated to the cause of Christ and of Christinan education, and Murphy, a born and life-long teacher, wise, prudent and firm, earnestly devoted to his hono;ed profession—with these educated, trained, experienced and Godly men and teachers at the heads, respectively, of our own Howard. Judson, and Central, with the able assistance of a sufficient number of teachers of the highest character, these beloved institutions will be kept fully abreast with the demands of the progressive times which now confront us as a denomination.

May God's richest blessings rest upon our efforts to advance the cause of education.

H. H. BROWN, J. W. O'HARA, R. M. INZER, Committee.

REPORT ON MINISTERIAL EDUCATION.

In making this report we have departed somewhat from the beaten paths of your former committees. It is a conceded fact that education, to a minister of the gospel, in these days and times, is one of the foundations of success. It is essential for a two-fold purpose. He should be in advance of his flock in order to lead them, for indeed a leader he should be. The good shepherd always leads his flock, never follows All denominations are educating their ministers, and if we Bapthem. tists expect to hold the prestige we have gained over the other denominations in this State, we will have to keep up with the procession. We need men educated in more ways than one. We need balanced men, men who can hold their hands with any set or body of men. Hence we conceive it to be the duty of Baptist churches and associations, in educating young men for the ministry to see that they take those that are made of the right kind of material. Howard College can cultivate and improve the mind and strengthen the moral stamina, but it can neither give brains nor moral worth.

We would be glad indeed to give all young men who desire it an

education, but if you will take time to examine and see how much the Baptists of this State give to ministerial education, we believe you will see the necessity for taking the position we have taken. Would it not be better to thoroughly equip fifteen ministers than to give thirty a smattering education?

You ask: "Are not the Baptists of this State giving sufficiently to properly educate all of the ministerial students?" It is with sorrow we have to answer you no; that they are giving comparatively nothing. We find that during the last scholastic year of Howard College there were about thirty-two ministerial students, and not enough given to pay for one-third of them. Now, brethren, we ask how in the name of common sense can we expect to send out to the world the Blessed Gospel of our Lord and break down the citadels of sin if we have not the forces ?

Now, brethren, we appeal to you in the name of our Blessed Lord, who so freely gave His life for us, let's give to the support and education of our ministerial students.

Respectfully submitted,

J. P. STILES, J. M. HUEY.

The reports were discussed by Brethren H. H. Brown, J. W. O'Hara, John M. Huey, J. V. Dickinson, Prof. F. M. Roof, Chairman of the Faculty of Howard College.

Pending the discussion the body adjourned to 9:30 A. M., Thursday, with prayer by Brother Joe Howard.

THIRD DAY-MORNING SESSION.

A prayer and praise service was conducted by Brother J. D. Martin, and the Association was called to order by the Moderator promptly at 9:30.

The reports on Education being still before the Association, were further discussed by Brother W. A. Hobson, Chairman of the Board of Ministerial Education, who also received the following subscriptions for the deficit of the Board, viz: P. T. Hale, \$10.00; W. M. Blackwelder, \$10.00; J. D. Martin, \$5.00; Pratt City Church, \$25.00; New Prospect, \$5.00; McElwain, \$5.00; Irondale, \$5.00. The hourfor preaching having arrived, Dr. C. S. Blackwell, according to appointment, preached from the Scripture, "Contend earnestly for the faith once delivered to the Saints."

The discussion on the reports was continued by Brethren J. M. Dewberry, Joe Howard and J. V. Dickson. and were adopted.

The hour for adjournment having arrived the Association adjourned for dinner, with a benediction by Brother B. D. Gray.

Dr. P. T. Hale offered the following resolution, viz;

Resolved, That a committee of three, consisting of Rev. R. R. Hunter, Hon. W. C. Ward and Rev. P. S. Montgomery, be apppointed, to report at the next meeting of this body, the most practical and expeditious method of ridding the county and State of the curse of the saloon and the liquor traffic.

The Executive Committee submitted its final report, which, after being amended, was adopted, as follows, viz:

REPORT OF EXECUTIVE COMMITTEE.

Your Executive Committee beg to report, that, as shown by the letters from the churches, we have contributed during this Associational year: For Missions, \$2,182 08; for Ministerial Education, \$157.99; for Orphans' Home, \$105.06. The amount for Missions is \$395.65 less than the amount for the same purpose last year.

The apportionment for the ensuing year is hereto attached. (See table on page 42.—CLERK.)

Whereas, This Association intends to support an Associational missionary for the ensuing year, and

Whereas, The amount paid by this Association heretofore for State missions is inadequate to the support of such Associational missionary, therefore be it

Resolved, that we endeavor to raise \$1,000 for our Birmingham Associational missionary, under the State Board of Missions, but try not to lessen our contributions to the other boards.

RESOLUTIONS

ADOPTED BY BIRMINGHAM BAPTIST ASSOCIATION.

Whereas, The Howard College is the official Baptist college in Alabama for young men, and tor that reason, as well as for reason of its own merits, is entitled to the support and helpful influences of our people; therefore, be it

Resolved, 1, That it is the sense and desire of this Association that each of its churches shall, at the earliest opportunity, appoint a committee of five, the duties of which committee shall be to aid the collegin securing students in that locality, and to co-operate with the collegfaculty in such other ways as may be deemed helpful. We further recommend that this committee be known as the Howard College Committee, and that the name of its chairman be forwarded to the College, at East Lake, Ala. Resolved, 2, That we beg of other Baptist Associations in the State that they take similar action.

On motion of Brother A. B. Johnston, whatever balance of the minute fund there might be after printing the minutes, was ordered paid to the Clerk for his services.

On motion of Brother P. T. Hale, the Clerk and Brother B. D. Gray was appointed a committee to prepare and print in the minutes a suitable memorial of Judge J. M. Arnold, and that suitable mention be made of any others who have departed this life during the year. Also, that the churches be requested to send the names of their fraternal dead in their letters to the Association.

The Moderator announced the Standing Committees for the ensuing year, as found in the forepart of these minutes.

There being no further business, after singing "How Firm a Foundation," and hearty hand-shaking, Dr. W. C. Bledsoe led in prayer, after which the Moderator declared the Association adjourned *sine die*.

M. M. WOOD, Clerk.

In the death of Brother J. P. PHILIPS, the First Church of Birmingam and our Association lose one of the most intelligent, pious and consecrated young men in all our ranks.

Many societies were not represented.

Mrs. Stratton read a report of the Woman's Work since the formation of the Woman's Missionary Union. Mrs. Hamilton, whom we all welcome once more in Alabama, gave us sweet talk on Sunbeam work, and distributed tracts. Every Sunbeam Society should get her to visit them.

Secretary read a letter from Mrs. Dickson at Letohatchie, appealing for help for her church, which had been blown down. The ladies pledged \$27.00 for her.

Mrs. Dr. B. D. Gray addressed the Union on Frontier Mission Work.

Mrs. Stratton gave out letters for boxes to Bessemer, South Side, First Church, Pratt City, East Lake, Woodlawn and Avondale. A collection amounting to \$2.00 was taken.

AFTERNOON SESSION.

The Union assembled at 1:30 P. M.

Mrs. Stratton requested a Committee from East Lake to meet with Central Committee next month, to arrange for the Woman's meeting at the Convention.

Tributes to the memory of our sister and former Corresponding Secretary, Mrs. I. C. Brown, were read, for the Association and East Lake Society, by Miss Davis, East Lake; for the State, Mrs. R. M. Hunter, Avondale. Resolved that the papers be printed in the minutes or published in the Baptist.

Mrs. Hardeman gave a paper on the Expense Fund, after which Mrs. Stratton made a talk on the subject and received pledges from several churches.

Mrs. Stratton told of our obligation to Miss Anna B. Hartwell, our missionary to China, and Mrs. Hardeman read a letter from her.

Mrs. Boorman gave an interesting talk on her work among the colored people—1075 visits made last year. Mrs. Hamilton thanked her in the name of the ladies and encouraged her to go forward.

Resolution was passed thanking our Presbyterian sisters for the use of their church and kindness to us.

Mrs. Wood reported on Orphans' Home and Bessemer pledged \$5.00 for it.

Mrs. Hamilton offered closing prayer.

MRS. W. FRANKLIN, Vice-President.

Mrs. R. M. HUNTER, Secretary.

IN MEMORY OF MRS. I. C. BROWN.

PAPER READ BY MISS DAVIS, EAST LAKE, ALABAMA.

As God in His providence has taken one from our midst whom we all loved very tenderly, it becomes our sad duty, yet a great privilege, to express our deep sorrow for the loss of one so dear to our hearts, and of our appreciation of one who so nobly served as president of our society.

In her we recognized a competent and worthy leader, whom we all honored and revered, and in whom we found a sympathetic, kind, loving friend at all times.

Her example, first of all in punctuality and faithfulness in all her work, was indeed worthy of emulation. She was always at her post and on time, which can be said of a very few of us.

So often in coming to the Society meetings, being a little late, we would always find our president awaiting our arrival, and she would greet us in her sweet way and say: "Maybe others will come in a few minutes, but wish they would be a little more prompt in meeting."

Now, as I look back over those meetings, thinking how little we appreciated the patient and untiring devotion of our co-worker, I feel 'tis true, "We never prize the music till the sweet-voiced bird is flown." Nevertheless, her stay with us was by no means in vain. Her connection with us in all lines of work was indeed pleasant and profitable, and much did we learn from her unerring leadership and exemplary life.

Hers indeed was a missionary spirit, "which was the spirit of Christ." She was a dear lover of all work that was in keeping with His command, "Go ye into all the world and preach the gospel to every creature." Not only did she lend her services as Corresponding Secretary to the Woman's Missionary Union, but at every opportunity-and especially in our Society-did she try to instill that same zeal for the salvation of souls and the spread of the gospel to hungering ones in the far-off lands. These little talks are bright spots in my memory, as she would, in her interesting and attractive way, lead us to discuss mission subjects. I shall never forget, when we were preparing the missionary box, how she expressed her deep feeling for those earnest workers on the frontier: one would think she knew them personally. We do not study mission work enough, or we would sympathize and help more those who have given up all to labor for the Master's cause. It is hard for us to realize their great need of our co-operation in their work, unless we know their situation and learn of the many hardships and privations which they endure. If only we could get a glimpse of their homes, see their bright hopeful faces, their ardent zeal and great love for their work amid all their privations, it would put us to shame to think of the little we do in the land of plenty, pleasure and privileges without number. Oh, how little we realize the work to be done and see opportunities going by continually without heeding. Oh, that each would say, "I must work the works of Him that sent me while it is day; the night cometh when no man can work." Let us follow the example of our departed friend and co-worker, and when the call comes for us to lay down this mortal life and stand before the King, "we may not be empty handed, without a soul with which to greet him," but we will hear the "well done, good and faithful servant," as we lay our sheaves at the Master's feet and join in "Harvest Home."

Among her many good traits was that of a happy disposition. She never seemed disturbed by anything that did not go according to her plans, but let it be plainly known, "all things work together for good to those who love the Lord." That is a lesson many of us have yet to learn—submission to the will of God. Her influence, as has been said, was magnetic. You could feel it in her very words. Those only who knew her personally could appreciate the gentle, sweet character of her womanly nature. She was indeed a lovable woman with sterling quali-

40

ties and Christian graces inferior to none. Her life will ever be a monument in our memory of all that was true, noble and good.

Though our eyes are tearful at her loss, yet through our tears gleams the rainbow of promise, urging us to more earnest and diligent work,that we may receive the crown of life, and be free from sorrow and pain to "dwell ever with the Lord, in the home not made with hands, eternal in the Heavens."

It is needless to speak of her executive ability and power as a presiding officer. All who have been in meetings she conducted know what a privilege it was.

In revering the life of Mrs. I. C. Brown, we see a useful and wellspent life in the Master's cause.

"Blessed are the dead which die in the Lord, yea, saith the Spirit, they cease from their labors and their works do follow them." While we give an account of her deportment and feel a deep sense of our loss, we bow with becoming submission to Him who doeth all things after the counsel of his own will, knowing "That all things work together for good to them that love the Lord."

> "The Master called her higher— Such word hath to our dear one come— Behold, the King hath called her; She hath smilingly gone Up to His kingdom with her works of gold: Good wife—good mother—she hath gladly withdrawn To dwell with him forever. Friends 'tis meet That we rejoice. She rests At Christ's dear feet."
